

Avon

Comfort & Livability

The Avon is surprisingly spacious and has great features like a 2 story great room and downstairs master suite complete with private bath and walk-in closet.

The dining room is perfect for formal occasions. The kitchen is well designed to provide ample counter and storage space.

The 2 story great room lends drama to the space. You'll love spending time in front of the cozy fireplace.

Upstairs, you'll find two well sized bedrooms and a full bath. As with all Enzoco Homes, this design is fully customizable to suit your lifestyle. Some optional features may be shown in photo.
