

Frostwood

Flexible Modern Colonial Design

This grand colonial design features 4 bedrooms and 3 baths. The main living area is open and inviting. The great room, kitchen and breakfast area make it a pleasure to entertain...with plenty of room for everyone to be a part of the conversation.

The dining room is well suited for formal occasions and holiday dinners.

And talk about flexibility - with 2 offices, the Frostwood is perfect for the telecommuter or home based business. One office can easily be converted into an in-law suite or guest room.

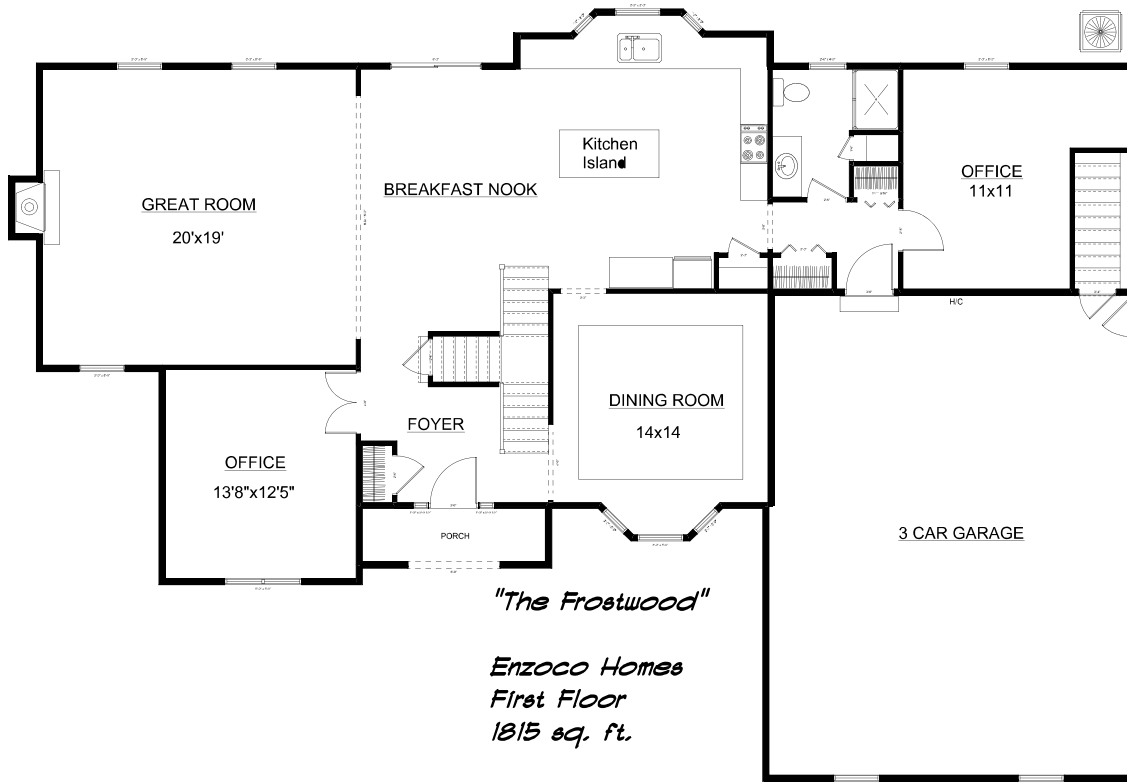

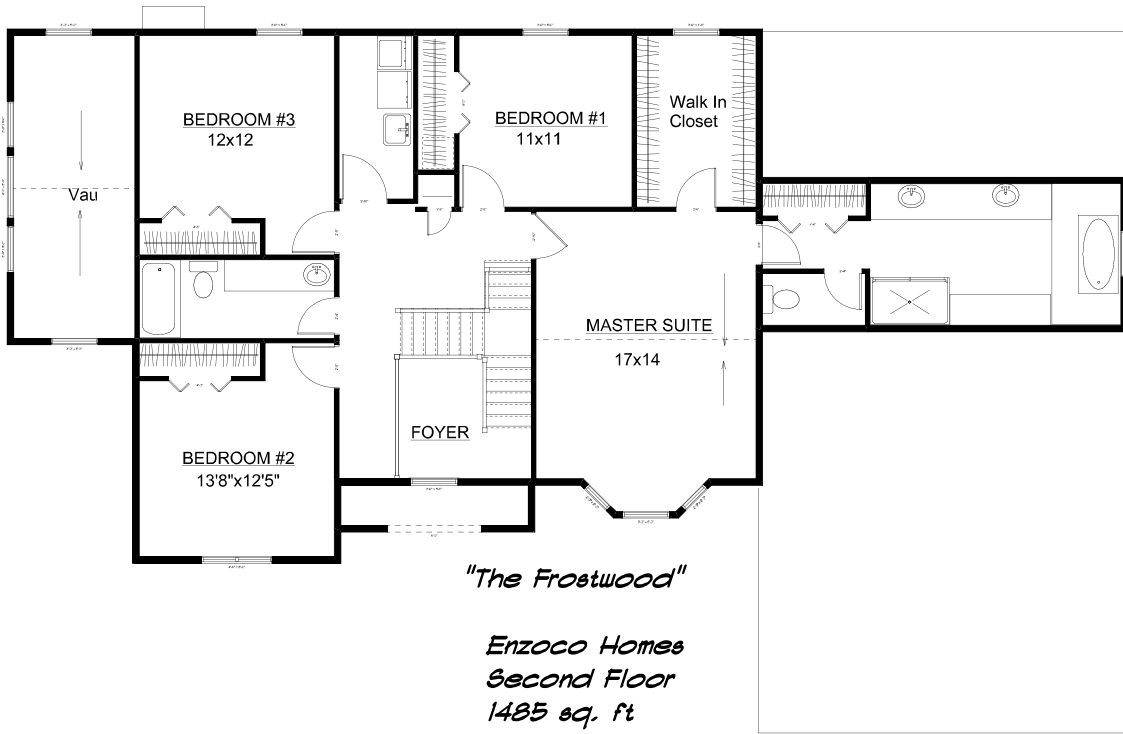

Upstairs, you'll find a large master suite complete with walk-in closet and private bath. The remaining 3 bedrooms are well sized with ample closet space.

As with all Enzoco Homes, this design is fully customizable to suit your lifestyle. Some optional features may be shown in photo.
