

Manchester

Spacious...Yet Comfortable and Cozy

The Manchester is a great new design which incorporates a host of cozy features yet offers ample living space.

The kitchen, breakfast nook and hearth room are perfect for casual get togethers. The dining room is very well suited for formal events.

The great room features a 2 sided fireplace and is lined with a veritable wall of windows to bring the outside in.

Best of all, this home also features a downstairs master suite complete with a spa-like private bath and large walk-in closet.

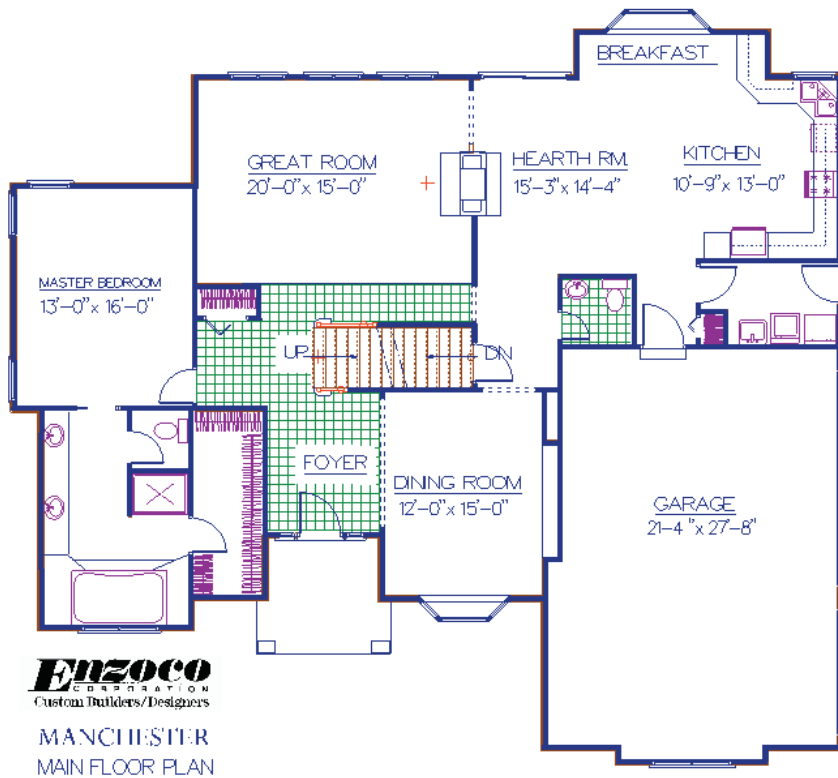

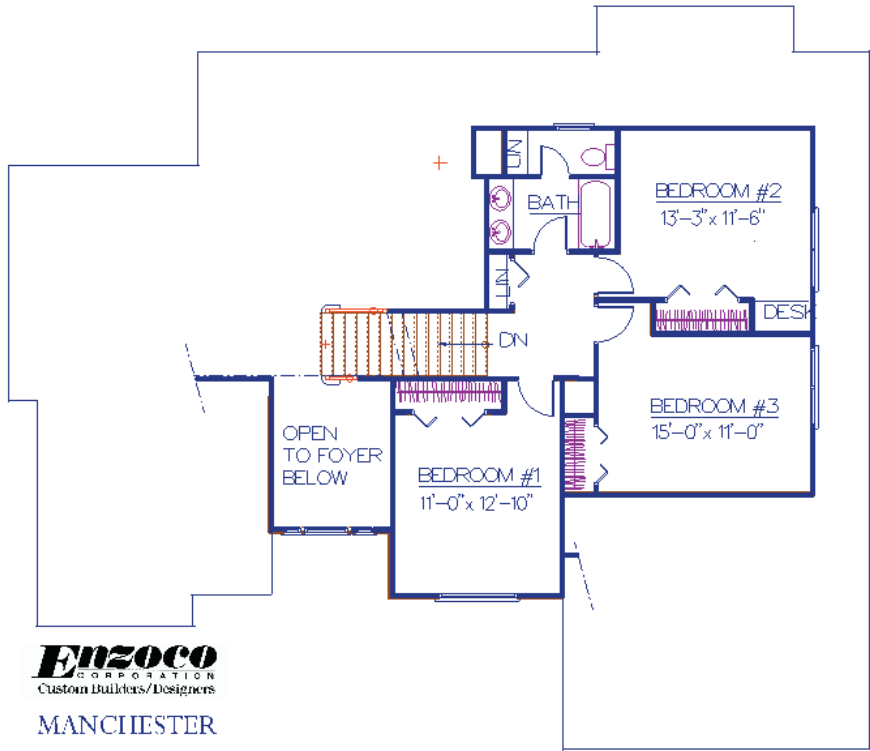

Upstairs, you'll find 3 large bedrooms with ample closet space.

As with all Enzoco Homes, this design is fully customizable to suit your lifestyle. Some optional features may be depicted in rendering.
