

Stratford

Traditional American Colonial

The Stratford offers a flexible design which can be customized to fit your lifestyle.

The main living area is open and inviting. The library and front living room offer privacy for quieter moments.

The kitchen and eating area are well suited for casual get togethers while the dining room is the perfect setting for more formal occasions.

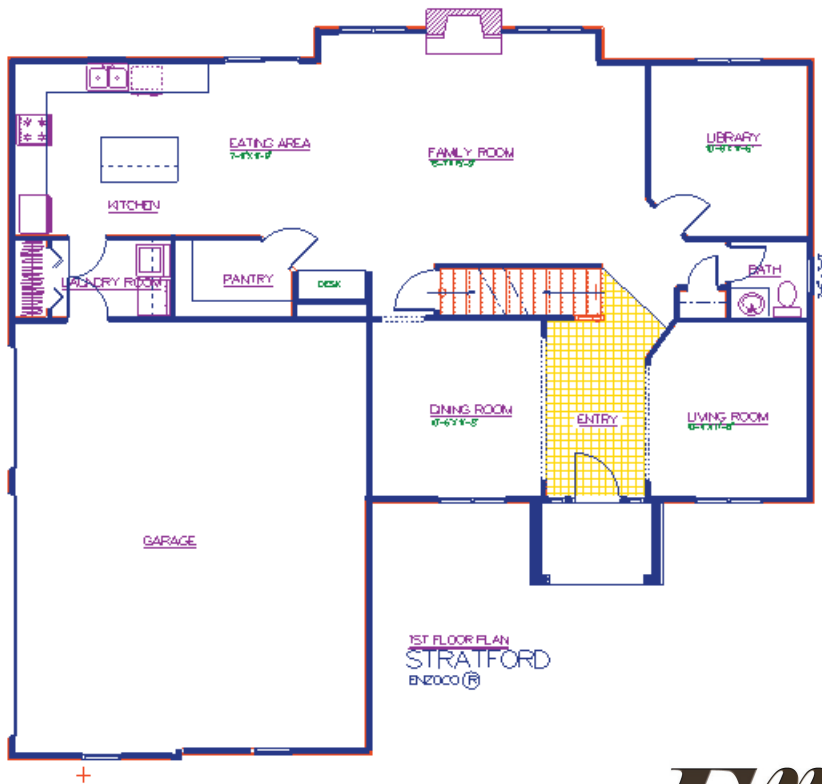

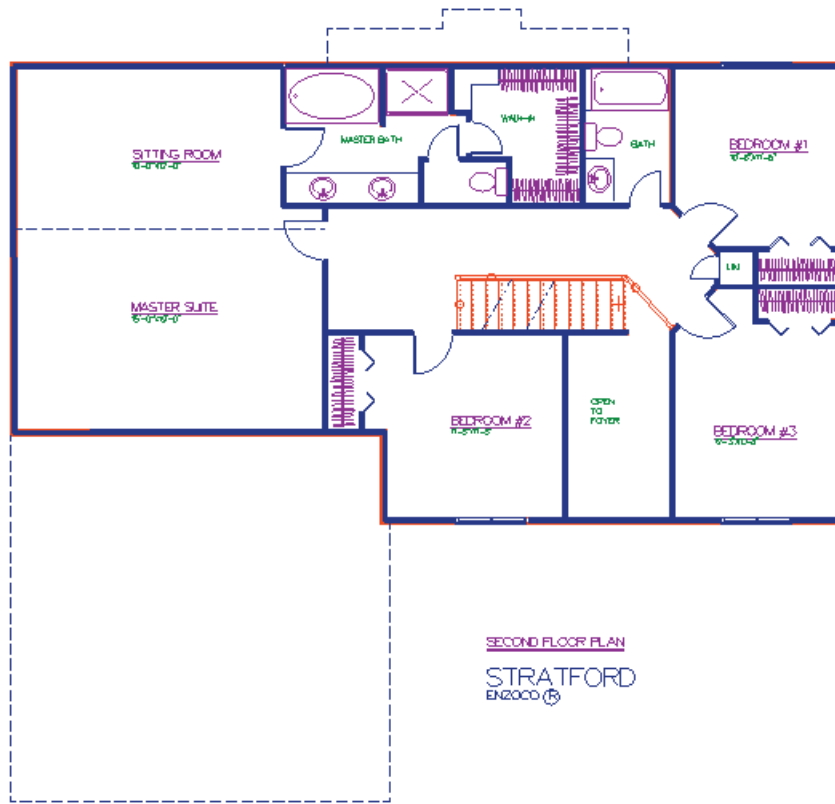

Upstairs, you'll find the spacious master suite which features a sitting area as well as private bath and walk-in closet. The three remaining bedrooms are generously sized with plenty of closet space and room to spread out.

As with all Enzoco Homes, this design is fully customizable to suit your lifestyle. Some optional features may be shown in photo.
